Traveling Coordinator- No current update.

Rec Coordinator-

- January Rec Clinic dates and times are secured and communicated.
- Fall League- Despite being chaotic, participation was good, but 30+ families were on a waiting list due to limits on coaching and fields painted by the city. Confident 120-150 participants can be accommodated next year with proper staffing.
- The rec program is gaining traction in filtering players to the competitive track, with about 40% of new competitive players coming from Inver Grove families.

Coaching Director-

- Winter Development Academy-68 to 71 players are currently registered for the first session.

Equipment – First Aid: Coaches need first aid access on the sidelines as the central box is too far. Suggested one quality, well stocked first aid kit for the coordinator to use between fields.

Volunteers –No Current update.

Web Master-Complete the transition to individual email accounts and implement Two-Factor Authentication.

Communications-No current update

Meeting Adjournment – 8:41 PM Mary motioned to adjourn, Nathan 2nd and all approved.
